

$BJz + Hw = Pro^2$
Burdick & Jackson[™] Honeywell Productivity²

Receive up to 40% Off on Agreed Pricing

Limited time discounts on a broad range of commonly used chemicals and reagents

For a limited period, you can claim extra discounts on top of your agreed pricing on select chemicals and reagents.

Take advantage of this special offer on all products with expiration dates of three to nine months. Rest assured, any product that we send you will have the guaranteed quality and consistency you expect from industry leading brands including Fluka[™], Riedel-de Haën[™], Chromasolv[™], and TraceSELECT[™].

It's first come, first served so hurry and place your order today!

Due to expected high demand, these products will be sold on a first-come, first-served basis, whilst stocks last.

To find out what products are included and to get your quote, please contact your local sales representative on the bottom of this flyer.*

You can claim extra discounts on:

- Analytical Reagents such as Adsorbents, Microbiology Media, Spectroscopy Reagents
- Buffers and Volumetric solutions
- Acids and Bases
- Salts for different applications
- Metals & Elements
- Solvents for GC, HPLC and LC-MS including our Chromasolv solvents, ACS & Pharmacopeia grades and blends

Terms and Conditions

- Once issued by your sales representative, the price offer is valid for 30 days
- Large discounts are only applicable to products agreed with the Honeywell sales representative
- Stock is limited and customers will be served on a first come, first served basis
- Freight charge is not included
- All sales are final. Returns are not accepted for short product expiry date products, except for products which do not comply with Honeywell warranties. If you have issues with a product please reach out to your Honeywell sales representative.
- The offer cannot be used in conjunction with any other special offer
